

Privacy Warning

At Goldbach Prime, your privacy and the security of your personal information are of paramount importance to us. By accessing or using our services, including cryptocurrency trading, asset management, and any related financial tools, you acknowledge and agree to the following:

1.DATA COLLECTION

We collect and process personal and transactional data, including but not limited to identification information (e.g., name, ID documents), financial data, wallet addresses, IP addresses, device information, and trading activity. This data is used for compliance, security, account management, and service improvement purposes.

2. THIRD-PARTY DISCLOSURE

Your data may be shared with third-party service providers, regulatory authorities, or financial institutions where required by law, or when necessary to fulfill operational or compliance obligations, including anti-money laundering (AML) and know your customer (KYC) protocols.

3.BLOCKCHAIN TRANSPARENCY

Please be aware that transactions conducted via blockchain technology may be publicly visible and immutable. While wallet addresses are pseudonymous, they may become linked to identifiable individuals through external data or investigative processes.

4. INTERNATIONAL TRANSFERS

Due to the decentralized and global nature of our services, your information may be stored and processed in jurisdictions with different data protection laws than your country of residence.

SECURITY MEASURES

We implement advanced security measures to safeguard your data. However, no digital platform can guarantee absolute security. Users are responsible for maintaining the confidentiality of their login credentials and private keys.

YOUR RIGHTS

You may have certain rights under applicable data protection laws, including access, rectification, and, where applicable, the right to erasure or data portability. To exercise these rights, please contact our privacy team at privacy@goldbachprime.com.

POLICY UPDATES

We reserve the right to update this Privacy Warning at any time. Continued use of our services after any changes constitutes acceptance of those changes. If you do not agree with any part of this Privacy Warning or our broader [Privacy Policy](#), please discontinue use of our services.
